

Deviled Eggs (a la Koz) - from Amy <http://dinnerchicks.wordpress.com>

Husband Bruce's recipe – he makes them best!

Hard boil the eggs (quantity of your choice)

Mash the egg yolks with enough Coleman's Mustard (dry mustard), yellow mustard, and Hellman's Mayo until the consistency is suitable for filling.

Add enough bacon bits to add texture and flavor.

Fill eggs and garnish (that part is personal to the chef!)
